**Subject:** King Coal Highway Meeting - April 25th

Denis,

Wanted to circle back about the King Coal Highway meeting. We have secured a room and time. We're pulling together the "draft" list of participants. Senator Capito will be joining us and Senator Manchin's office will likely have either the Senator or staff attend. The list of everyone who is planning to participate is below.

It would be very helpful if you could indicate the names and titles of the EPA participants, even if they're "tentative" right now. I will be working on a discussion agenda over the weekend and will be sending it around for everyone's review on Monday or Tuesday. We are pretty confident we'll have a conference call line available for those who would want to participate but are unable to travel to DC on April 25th.

Thanks for your help on this. Have a great weekend.

Best,

Brian
